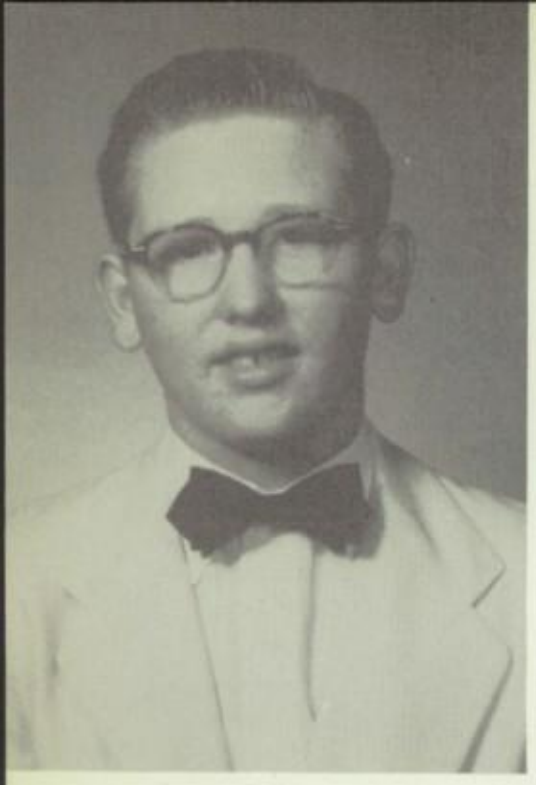
THE

Cougar



DON MORROW
Editor-in-Chief

Foreword

It is our hope in presenting this 1954 Cougar to portray to the best of our ability the spirit, traditions, and activities of Ada High School.

Memories of our school days may grow dim as we journey along life's path, but if in years that lie ahead, this book will help you to relive your happy days at A. H. S., then the staff of 1953-54 will have accomplished what they set out to do.
